The following guidelines should be considered in determining if your child should not attend Precious Time:

the child withdrawn. We will have the option of enrolling another child in his/her place at that time. If your child withdraws Precious Time for the summer and you are interested in coming back the following school year to ensure there space a deposit must be made.

EMERGENCY DRILLS

Emergency Drills are held periodically to acquaint your child with evacuation and other emergency procedures. This may make quite an impression on your child the first time a drill is held, but your child will soon become accustomed to it and know just what to do

INJURIES

Our staff makes every effort to ensure the safety of your child. Unfortunately, minor accidents may occur. We realize that you will want to be aware of your child's injuries or accidents occurring at Precious Time we do keep you informed. Your child's teacher will provide you with and Accident/Incident Report for each occurrence.

In the event of an emergency, the following steps will be taken if deemed necessary:

1. A staff certified in First Aid and C.P.R. will assist your child while you are immediately notified.
2. The First Response Team (9-1-1- Rescue) will be contacted.
3. If we are unable to reach you, the designated emergency contact person will be notified immediately.
4. The director will accompany the child in the ambulance if you or the emergency contact person has not yet arrived.

FOOD

Precious Time Childcare provides the food program by the Florida Department of Health. Our Center will furnish the children with a well-balanced nutritious breakfast, lunch and snack per day. All of our Menus are prepared to meet the daily nutritional requirements of preschoolers and will be posted for your viewing.

Please be informed that we provide food for all children, it is not necessary to bring food from home, but it is allowed as long as it's labeled correctly with the child's name and the teacher must be notified.

In addition, if any child is allergic to any food, that we provide, the legal guardian must notify the administration and it must be written down in the enrollment application and emergency information card. Then it will be notified to the child's teacher and the kitchen staff and the food will be replaced.

TOYS

In order for children not to be disappointed with broken or lost toys, we prefer they use the toys provided at our Center. Please leave all toys at home with the exception of a soft toy for naptime, or a toy to share on special occasions, such as Show and Tell.

NAPTIME

After lunch, a nap period is provided for all preschool children. To protect your child's health, we provide a sanitized cot and sheet each week. Parents will need to furnish a small pillow and blanket with the child's name clearly marked on it. Blanket and pillowcases should be taken home weekly for laundering.

PROCEDURES FOR MOVING A CHILD FROM ONE GROUP TO ANOTHER

Parent is given a letter stating where and why the child will be moved to another group. We transition children when they are chronologically and developmentally ready for the next room and when a space comes available. When a child is held back in a room due to space limitations, their teacher will modify the program to meet their developmental needs and whenever possible the child will visit with the older classroom. When a space becomes available in the next classroom, the teacher or the director will talk to the parent to discuss weather their child is ready for the transition.

The teacher of the older children will then draw up a transition schedule with your child's present teacher in agreement. Parents will review the schedule and make any changes they feel necessary. A copy of this schedule will then be given to the family, office, and the classroom they are visiting.

Parent/Teacher Conferences

Parent/teacher conferences are scheduled at parent or teacher request. Parent/ teacher conferences are scheduled three times a year, meaning every four months. Conferences are times when information concerning the child's abilities, needs and progress can be discussed among parents and teachers.

Parent Bulletin Board

A parent bulleting board is available at the front entrance of the school and each classroom. The bulleting boards consist of announcements for the parents to view and read. The bulletin boards are to keep the parents informed of the center's happenings. That is why we are encouraging the parents to take a moment or two to read the bulletin boards. Weekly lesson plans, breakfast, lunch and snack menus are also posted on the bulletin boards.

Emergency

During hurricane season, Precious Time will follow the same scheduled days to close as Miami-Dade Public Schools. In case of an emergency such as a weapon, kidnapping, dangerous person, civil disturbance, fire, bomb, explosion, hazardous material spill, severe weather, electrical outage or student/staff death parents should stay home and wait by the phone until they are contacted by either the emergency response personnel or center staff. Following evacuation of site and consultation with emergency personnel and Director, parents will be contacted and provided with instructions regarding transportation arrangements/responsibilities and updated on their child's health status.

Referral Policy

The director will follow-up the referral, with parental, permission, and contact the agency or service provider who evaluated the child for consultation and assistance in meeting the child's needs at the Center. If it is determined that the child is not in need of services, or is ineligible to receive services, the Center shall review the child's progress every three months to determine if another referral is necessary. The teachers are responsible for implementing and facilitating services received by the child, which may include therapists, consultants, and others involved with the child's final education plan. It is the Centers belief that such a system enables the parents and child to be fully supported as they deal with those areas of concern.

Transition to kindergarten

Every year we give a booklet to the VPK's parents with ideas about children transitions to kindergarten which include how to prepare them for the transition, what to expect during the transition, first day steps and tips, and skills to help ease the transition. Some of the information is in Spanish; here is the website where you and find information.

GUIDELINES FOR POSITIVE DISCIPLINE

Precious Time is committed to providing children and families with quality childcare in a safe and loving environment. A major part of that obligation is focused on the importance of discipline and its effect on children in our care.

Our commitment and basic respect for children is reflected in our discipline policies and procedures.

Our Center offers an environment in which trained teachers play and converse with children rather than have a constant reprimanding role in the classroom. We want to make your child's early childhood experience a memorable one. The following standards have been developed to create a caring environment that teaches children to behave in responsible ways and feel good about themselves:

- Physical/corporal punishment will not be permitted under any circumstance by staff or parents.
- Focus on positive communication techniques to gain children's cooperation
- Teach preschool children to use problem-solving skills and strategies to resolve conflicts.
- Staff will utilize consistency, fairness, and patience in positive disciplinary practices.
- Reflection Time (time to think) will only apply when repeated inappropriate behavior takes place and it will be handled by a nurturing teacher to guide the child to a positive behavior and explain why.
- Food, Naps, and bathroom necessities will not be associated with discipline.
- Acts of misbehavior will be kept in perspective. A child's parents will only be involved in the disciplinary process when uncontrollable and/or harmful behavior towards others persists.

In essence, the role of our teachers in terms of discipline is to provide patient, respectful positive guidance and intervention. It is very important for good communication to exist between the family and Precious Time. If your child is experiencing a change in the home environment that may result in behavioral differences, it is recommended that you notify your Director. The Director will keep you informed of any changes concerning your child. Every effort will be made to assist you in any situation that may occur.

At Precious Time, the well being of your child is our main priority. After repeated incidents of disciplinary actions and at the Director's discretion, we reserve the right to request that you make alternative arrangements for the care of your child in order to protect the safety of other children in our Center.

WE RESERVE THE RIGHT TO MAKE ANY NECESSARY CHANGES AT ANY TIME.

Thank You for Choosing
